Dear Ms. Tate,

I am writing to urge you to reject the proposed rule change (FCC Docket 06-121) on December 18th that would allow one company to own newspapers and radio and television stations in the same market.

Our democracy benefits from the freedom of the press and that freedom benefits from the media being owned by many different companies.

Please reject this proposal which will concentrate the freedom of the press in the hands of a few.

Sincerely,

William Mehls
